Chicago Tribune - We are currently unavailable in your region

But even the truest of the true engineers can admit that sometimes -- just sometimes -- spending your life with an EE can be challenging.

Working life as an engineer | gradireland

Dear Ann Landers: This letter, my first ever to a columnist, was sparked by your column about the engineer's wife who asked, "Are engineers really different?" My engineer husband makes a fine living, but when it comes to expressing emotions, on a scale of 10, he's about a 4.

You have probably heard of that book, Men are from Mars, Women are from Venus. My engineering, techie-type husband, who as you might have guessed from the title, is the polar opposite of me. When called upon for something creative, he depends on me for helping him to get a clever.

Choosing to become an engineer became one of the greatest decisions of my life . But we all don't have someone who encourages and.
